We can confirm that our child will commence studies in Month / Year at **xxx School**, an independent boarding school in the UK. As a boarding student, our child will be resident at the above school during their time in the UK. We can confirm that we give our consent to any national or international travel which our child needs to undertake between school and travelling home and the living arrangements provided by the School. We also consent to the reception and care arrangements upon arrival to the UK which have been agreed with the school.

We can confirm that we will be financially responsible for the payment of our child's outstanding academic fees and boarding fees. The funds are available in full throughout our child's stay in the UK.

We would very much appreciate your assistance in granting our child leave to enter so that they may commence their studies in the UK.

Yours faithfully,
